## MEMBERSHIP OF THE HONG KONG LIBRARY ASSOCIATION

### Detail information available at:

<http://www.hkla.org/membership.html>

<http://www.hkla.org/constitution.html#membership>

Membership categories have been established on the basis that the Association is essentially a professional organisation for librarians and those engaged in information work.

You are eligible for **FULL MEMBERSHIP** if you hold a professional qualification in librarianship or information work as stipulated in the constitution of the Association. (Associate members who have gained the required academic qualification and working experience may also apply for Full Membership. Please use the Membership Renewal Form for such kind of application).

You are eligible for **ASSOCIATE MEMBERSHIP** if you are employed or otherwise actively engaged in libraries or information centres or related work as approved by the Council of the Association, and who are not eligible for full membership.

Persons who having at one time been eligible for personal membership, are no longer residents in Hong Kong or otherwise not actively engaged in libraries or information centers or related work as approved by the Council may join the Association as **CORRESPONDING MEMBERS**.

You are eligible for **STUDENT MEMBERSHIP** if you are currently enrolled in certificate programmes for library assistants, diploma programmes in librarianship or other programmes in librarianship or information studies.

Libraries, societies, corporate bodies or organisations which maintain or are interested in libraries or information services are eligible for **INSTITUTIONAL MEMBERSHIP** with one named representative.

***The only practical difference between the above categories of membership is that one must be a Full Member in order to be eligible to vote or stand for office in the Association.***
